Dear Law Enforcement Executive,

I would like to personally invite you to attend the Springfield FBI Law Enforcement Symposium 2019. The purpose of this symposium is for the Springfield FBI to offer capabilities-based presentations and to elicit feedback from our federal, state and local law enforcement partners. Presentations will include Counterterrorism (Domestic), Counterintelligence, Cyber, Violent Crimes Against Children, Human Trafficking, and Civil Rights.

The symposium will be held on Wednesday, March 27th from 9:00 a.m. to 3:00 p.m. in the Illinois Military Academy Auditorium at Camp Lincoln, Illinois National Guard, 1301 North MacArthur Blvd, Springfield.

While I certainly appreciate how busy you are, I truly hope that you will find the time to come to Springfield and join your law enforcement partners as we consider the threats and challenges we face in our communities.

Due to the limited capacity of the auditorium, we ask that you let us know if you will be able to attend. Please send your RSVP no later than Wednesday, March 20th to MSA Mark Whitlock at mkwhitlock@fbi.gov or (217) 494-0655. I look forward to seeing you at the symposium.

Sincerely,
