

Urbana Police Department Squad Cars For Sale

The Urbana Police Department recently moved from the Crown Victoria to the Ford Explorer. Most of the squad car equipment would not fit in the Explorers so UPD is offering the Crown Vics for sale equipped with:

- Plastic back seats
- Seat shield/partition
- Bars on back windows
- Radio stack (no radios)
- Red lights & siren
- The back seats that were removed for the plastic seats are still available
- K9 car back seat equipment

The mileage on these cars range from 48,000 to 80,000 miles. They have been maintained through the years by the City of Urbana Public Works professional vehicle maintenance department. They are selling them for \$7,250 apiece with all the equipment included. See photos below for details.
