### **\$2+ BILLION FUNDING TRACK RECORD**

#### **Does this sound like your agency?**

- Your agency lacks funds for vital equipment or training.
- You applied for grants in the past, but just can't seem to get your application into the winner's circle.
- Times are tight and your budget is shrinking, but grants seem so intimidating, you'll never figure out how to get that crucial additional funding for your department.

You're not the only one. Fire Departments, Law Enforcement Agencies and other Emergency Services Agencies nationwide have felt the sting of the budget ax.

They could've spent another year going without, but they did something else. They took action, and they got that crucial grant funding.

#### **They got First Responder Grants training.**

*"We have been awarded \$410,199, and we have about \$4,000 invested in training and assistance through you. That's over \$100,000 for every \$1,000 invested. Thank you."*

*— Undersheriff Mickey Gruber, Brown County Sheriff, Kansas*

On April 4<sup>th</sup> – 5<sup>th</sup>, 2019 Illinois Law Enforcement Alarm System (ILEAS), Urbana, IL will host a 2-day specialized class for Public Safety / First Responder Agencies on developing, writing and applying for grant programs. The class will be presented by staff from [First Responder Grants, LLC](http://www.FirstResponderGrants.com). ([www.FirstResponderGrants.com](http://www.FirstResponderGrants.com)). Participants will learn the skills needed to properly research, develop and apply to grant funding streams specific to Public Safety, Emergency Management and Homeland Defense.

The training is specifically directed at First Responder and Public Safety Agencies of Police/Fire/EMS and Emergency Management or local government agencies seeking grant funding from Federal/State/Local grant funding sources.

Nationally known grant consultant and author Kurt Bradley of Grant Writers Handbook will present the Grant Writing Training. Considered a leading public safety certified Sr Grant Consultant, Mr. Bradley has also served as a public safety administrator. Since 1998, he has helped public safety agencies like yours win over \$2+ Billion in grant awards. His students maintain a +80% overall win record, many on their first application.

## **In this economy the competition for grant dollars will be extremely high.**

First Responder Grants Training gives you the competitive edge needed to win grants for your agency!

*"Our department is very small and gets very little support from local government. Years ago my department sent me to a First Responder Grants seminar in Philadelphia. It was the best money our department has ever spent. I would estimate in the last 3 years we are in the \$750,000-\$1,000,000 dollar club for grants. I would highly recommend going to this seminar."*

— Lieutenant Nick Cook, Bendersville Community Fire Co, Pennsylvania
