When: 01/14/2020 – 01/15/2020

Time: 8:00 AM – 5:00 PM

Where: Illinois Law Enforcement Alarm System (ILEAS)
1701 E Main ST Urbana, IL 61802

How to Register: Click on the following link – create a profile and register. If you already have one great.

<https://my.teex.org/TeexPortal/?MO=mClassRegistration&D=LS&C=AWR213&S=422>

The Critical Asset Risk Management course teaches the critical components of risk management and provides participants the basic fundamentals of determining and mitigating risks associated with their critical infrastructure. Through a combination of lecture, facilitated discussion, and group activities, participants will learn how threats, vulnerabilities, and consequences determine risk, and are given an opportunity to practice the fundamentals of conducting vulnerability assessments by conducting on-site assessments of select local facilities. Additionally they will identify potential mitigation measures associated with their findings and work together to develop and present a risk assessment report.

Individuals completing this course, in combination with AWR-213, MGT-310, and MGT-414, are awarded the TEEEX Infrastructure Protection Certificate.

Questions contact Lt. Barbara Robbins 217-300-1496 or barobbin@illinois.edu
