THE OFFICE OF THE EXECUTIVE DIRECTOR

May 30, 2012

Mr. Jim Page, Executive Director
ILEAS
1701 E. Main Street
Urbana, IL 61802

Dear Jim:

I want to take this opportunity to personally thank you for your support and cooperation in planning for the 2012 NATO Summit and for your participation in the successful execution of the Summit held here in Chicago. On behalf of the City of Chicago and the Office of Emergency Management and Communications (OEMC), I would like to express my appreciation to Illinois Law Enforcement Alarm System and for your individual contribution and the contributions of your staff that led to the success of the Chicago 2012 NATO Summit.

There was untold effort expended in a very difficult planning process and regardless of how difficult it became, your agency represented the very finest that Chicago has to offer. The successes that we have experienced are a direct reflection of your selfless efforts. This could not have been accomplished without a team effort. At no time did you or your staff put the self-interest of any specific agency above the value of cooperation. Each and every member of the team realized the true value of success was a positive reflection on the City of Chicago. Needless to say, I think that positive reflection was demonstrated in the comments from President Obama, Mayor Emanuel and the Press. It was truly a privilege to be a part of such a dedicated team. Again, my sincere thanks to each and every one of you.

Sincerely,

Gary W. Schenkel, Executive Director
Office of Emergency Management and Communications
