TO: All Responding Police and Government Agencies

The Belmar Police Department would like to express our great appreciation for all the help your agency provided us during Superstorm Sandy. The amount of devastation from this storm made it virtually impossible to cover all the police needs of our town on our own. With the help of your agency, a much safer environment was created for the Borough of Belmar and its residents. I would once again like to thank you for your assistance in our time of need.

Sincerely,

THOMAS PALMISANO  
Chief of Police  
Director of Public Safety
