

CRIPT ACADEMY

CERTIFICATE OF APPRECIATION

Presented to:

ILEAS

This 1st day of November of the year 2010

CRIPT Academy presents this certificate to the Illinois Law Enforcement Alarm System (ILEAS) in appreciation for their support of CRIPT Academy programs and the support of those professionals serving in harm's way. Our nation's Law Enforcement professionals are tasked with difficult and life threatening situations each day in service to their communities and the people. Your acknowledgement of the need for training and preparation is greatly appreciated and indicates the professional posture of your agency and concern for the men on the front lines of our profession. We thank you for your support.

Sincerely,

CRIPT Academy Staff

*Psalm 144:1 "...He prepares my hands
for war and my fingers for battle"*
