

OFFICE OF EMERGENCY MANAGEMENT AND COMMUNICATIONS
CITY OF CHICAGO

October 12, 2021

All:

Thank you to you and your staff for all your time and hard work leading up to and throughout the duration of this year's Chicago Marathon. We recognize and appreciate the planning, collaboration, and dedication of resources that each agency contributed to support this event. We appreciate the partnership of each of your agencies, including those who contributed to securing the event onsite at the Forward Command Post and those that supported through the Emergency Operations Center (EOC) activation.

The success of this event would not have been possible without the coordination between all our agencies over the last several months. We are grateful for your commitment and partnership.

Thank you and please stay safe.

Sincerely,

Rich Guidice
Executive Director
Office of Emergency Management and Communications
