Dear Undersheriff Stryker, *GM*

I would like to thank you for the opportunity to serve the Illinois Law Enforcement Alarm System (ILEAS) as a representative of Task Force Illinois in Louisiana. A wide variety of law enforcement talents were represented throughout both deployments and the commitment displayed by these police officers was outstanding.

I had the privilege of working with several members of the Illinois State Police in the TOC and their professionalism and dedication was always focused on the safety and well being of the officers. Lieutenant Todd Kilby, Lieutenant Roy Sanji, Master Sergeant John Simonton, Special Agent Mike Galletti, Greg Robinson and Tim Harney represented ISP and ILEAS with dignity and honor.

Every police officer I spoke with felt a sense of pride in representing Illinois law enforcement, yet we wanted to do more to assist with the relief efforts. Overall, the deployment was a once in a lifetime experience that should benefit each officer and contributing agency in the future.

While I have sent a similar correspondence to Jim Page, commending him and his staff for organizing this important assignment, I would like to personally thank you for your support and allowing me to go. As a founding member of ILEAS, you have developed an organization that is highly respected statewide. I can always be contacted for future assistance.

Sincerely,
