Dear Director Page:

On behalf of the Evanston Police Department, I would like to convey my thanks to the members of ILEAS that assisted us at the scene of a homicide on September 4, 2021 in the 1700 block Dodge Avenue by providing scene security and perimeter control for several hours.

Their quick response, professionalism and support is greatly appreciated. We could not have done it without the support from other agencies.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Aretha Barnes".
