On November 1, 2016, it was reported to the Fox Lake Police Department that a 14 year old male, with intellectual disabilities, had left his home after an argument with his parents and had not returned. Approximately three hours had passed after his disappearance. Once contacted, the agency immediately began an extensive search and an investigation was initiated.

Fox Lake did not have the current resources or the man power to thoroughly solely conduct this investigation. Members of your department were requested to assist us. Mike D'Amico your Regional Planning Coordinator quickly, without hesitation responded and assisted with bringing this potentially devastating situation to a successful resolution.

On behalf of the Village of Fox Lake and our residents, we wish to commend Mike D'Amico and your office for your assistance. The professionalism and expertise which was exhibited by this individual reflected positively upon your agency, its leadership and the law enforcement profession.

If we may be of assistance to you or your agency please feel free to call upon us.

Respectfully,

Chief Russell B. Laine  
Fox Lake Police Department
