Dear Jim:

On Saturday, October 26, 2019, the City of Galena, along with the Galena Area Chamber of Commerce, held the 41st Annual Galena Halloween Parade. This parade has grown tremendously in size with last year being the most spectators to see the parade with estimates over 20,000. This year did not disappoint, with the crowd estimated around the same.

We held a briefing at GPD prior to the parade to go over all the specifics. You assisted in getting the ITECS radio tower to Galena and set up of the tower prior to the parade. You also assisted in maintaining and monitoring the radio traffic during the parade and after. All of your assistance made this parade go off without a hitch.

I would like to thank you, Jim, for all of the assistance provided to the Galena Police Department. It truly takes a team effort to pull this off and we did it!

Sincerely,

Chief Lori Huntington
Galena Police Department
