Mr. James Page  
Executive Director  
Illinois Law Enforcement Alarm System  
1905 East Main Street  
Urbana, Illinois 61802

Dear Director Page:

The Illinois State Police (ISP) and the Illinois Law Enforcement Alarm System (ILEAS) have worked together for many years to ensure quality training is made available to all law enforcement officers, thus ensuring the safety of the citizens of Illinois. It is because of the long-term relationship that I am writing in support of the Regional Law Enforcement Homeland Security Training Center. This facility will be a valuable asset to the law enforcement profession.

The Illinois State Police is proud to lend our support for this project and wish you the best as you pursue this opportunity.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry G. Trent".
