RECEIVED AUG 16 2021

Larry G. Evans
Chief of Staff
Illinois Law Enforcement Alarm System (ILEAS)
1701 E. Main St
Urbana, IL 61802

Mr. Evans,

On behalf of the Morris Police Department and the City of Morris, I wanted to formally express our appreciation for the assistance of ILEAS during our June 29th, 2021 battery fire.

There is no way we could have managed this event so smoothly if it were not for the assistance of ILEAS and specifically Commanders Eric Allen, Commander Chris Burne, Commander Art Arellano, John Marszalek, and the responding officers.

I have heard nothing but good things from residents who were evacuated from their homes. They have repeatedly mentioned how helpful and professional the officers were as they monitored the evacuated area. The residents felt safe, which was the best thing we could provide for them.

In addition, we learned so much about managing a large scale event from your Commanders. Their experience and knowledge of incident command are what made this work.

Thank you again for your assistance and for sending us officers who made us all look good!

Sincerely,

Chief Alicia Steffes #112
