Dear Chief Beckwith and the entire ILEAS Board and staff,

On behalf of the citizens of Rock Island County and the entire staff of the Sheriff's Office, I want to thank you for your additional generous award of Mobile Data Computers and support equipment.

Our agency has experienced the remarkable benefits in job efficiency and safety your generous first award has provided.

During these trying economic times, we could not have added the needed equipment without this grant. Our staff and citizens we serve deserve these important communication devices.

I have richly enjoyed the strong relationship between ILEAS and our agency. My administration will continue to work closely with ILEAS under the spirit that your organization has shown.

Please feel free to contact me or my staff with any matters.

Sincerely,

Sheriff Mike Huff
