Dear ILEAS:

The last few weeks have been extremely difficult for the Urbana Fire Department. However, during this difficult time, we found comfort in the support of our fellow firefighters, police officers, and the community.

We would like to thank you for helping us honor our brother Rusty Chism. Your presence was greatly appreciated. The support we received from so many fire departments, police departments, public service agencies, and ambulances was a testament to the brotherhood of fire fighters everywhere.

We honored Rusty in a manner that was fitting for the way that he lived his life, approached his job, and treated the people around him. Rusty challenged all of us to always look for the best ways to serve the public and each other. With your help, we demonstrated that spirit of service to the community in the way that we honored Rusty. We are extremely thankful to everyone who participated in his memorial.

Sincerely,

Chief Brian Nightlinger
& the Urbana Fire Department
