Dear Mr Page,

I would like to express my thanks to your team of Regional Planning Coordinators, especially Pete Smith and Jim Hutton.

As you know Fox Lake was stricken with a major flooding event. During the weeks after the event and neighborhoods being flooded, your team maintained almost daily contact with us to make sure we had the appropriate resources to meet our needs.

On behalf of the Village of Fox Lake we thank you! If we can be of any assistance rest assured we will commit to returning the service to ILEAS and its' members.

Sincerely,

Chief Thomas Sanders

Spring Grove, Illinois 60081

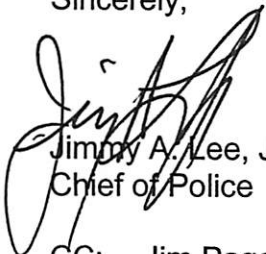

Dear Chief Sanders,

On behalf of the citizens of Fox Lake as well as the women and men of the Fox Lake Police Department, I want to thank you and your staff for the invaluable assistance provided during our recent time of need.

As you know and has been well publicized the Village of Fox Lake was stricken by major flooding over the past few week. As a result of the rain and water flowing into our community through the Fox River waterway system, approximately 600 of our residents' home were flooded. The only safe method of patrolling many of the flooded streets and neighborhoods was through the use of a vehicle with deep water capabilities. Spring Groves' HUMVEES and Five Ton truck were the right tools for the job. We searched the ILEAS resource list and confirmed your agency had the needed equipment. With one call you had them fueled up and ready to put in service.

The ILEAS moto of "Strength Through Cooperation" was evident in your commitment to us and comforting to me as a the chief of a department in need. Thank you very much and I assure you that you can count on the Fox Lake police department if you find your agency in need as well.

Sincerely,

  
Jimmy A. Lee, Jr.  
Chief of Police
