Dear President Snyders,

On Friday, October 20, 2017 at approximately 10:00 a.m., I received a call in my capacity as Mayor of the Village of Willowbrook. We were dealing with a possible catastrophe – gasoline was leaking into the sanitary sewer system that services our town. Within one (1) hour, we had three (3) explosions, one of which had caught fire on my block no less.

If it were not for the rapid response of neighboring towns, our little town of Willowbrook would have been quickly overwhelmed and could have been severely impacted.

I sincerely thank your brave personnel for coming to our aid in a grave time of need. We will never hesitate to return the favor.

Very truly yours,

Frank A. Trilla
Mayor
