Dear Mr. Elliot,

On Monday, November 10, 2014 you were the guest speaker at our monthly *Coffee with the Chief* open house. You discussed the Illinois Law Enforcement Alarm System and how it responds to emergencies, disasters and a multitude of other events a member community may experience.

You did an excellent job of explaining how ILEAS came to exist, how it works, how it's funded and the many benefits available to its members. Our attendees now have a much clearer understanding of what it takes to handle a catastrophic event such as an EF3 tornado and how ILEAS exists to help a community survive such an ordeal.

Thank you for attending our meeting and sharing your experience with and enthusiasm for ILEAS with our group.

Sincerely,

Robert W. Lowen
Chief of Police
